

How to get to Edinburgh Film Studios

Get on to the Edinburgh City Bypass, exit at the LOTHIANBURN junction and take the A702 for CARLISLE and BIGGAR.

Stay on the A702 for around 10 miles, following signs for CARLISLE and BIGGAR, until you see a large green road sign indicating NINE MILE BURN to the right. Instead of turning right, turn LEFT just after the NHS mobility warehouse.

Drive down the private road for about 500 yards until you see the Edinburgh Film Studios sign on your right. Turn right and drive past the house to the studio.

If you get lost call 01968 672 131 or 07956 307 381 for help.
